

CITY OF GENEVA DESIGNATED HISTORIC RESOURCES

HISTORIC DISTRICTS

REVIEW BY THE HISTORIC PRESERVATION COMMISSION

Review of exterior improvements which require a permit through the City of Geneva is required for those structures either located in the Geneva Historic District (boundary in blue above) or are designated Landmarks as noted on reverse. Structures that are solely listed on the National Register of Historic Places, as noted on the reverse, do not require review by the HPC but may require review by a Federal agency if federal funds or a federal permit are used or required for a project which affects the historic resource.
